Section I. Introduction & Purpose

About ECGRA

An impact investor, ECGRA's mission is to elevate Erie County by galvanizing nonprofits and small business toward economic and community development. Since February 2008, ECGRA has invested more than \$43 million in Erie County.

The Erie County Gaming Revenue Authority was incorporated in February 2008 in the Commonwealth of Pennsylvania for the purpose of creating and administering a grantmaking process for gaming funds that come from the Pennsylvania Department of Revenue. Our mission is to elevate Erie County by galvanizing nonprofits and small business toward economic and community development.

Purpose of the Funding

A maximum of 5% of event(s) budget

Special events promote a sense of community and inclusiveness, and often generate an influx of dollars from outside Erie County resulting in local economic growth and improved quality of place for Erie residents. They increase our ability to attract and retain a skilled workforce, spur investments from the private sector, stabilize land and housing prices, and increase civic pride. As part of a strategy to strengthen the economy, ECGRA Special Events Grants fund up to 5% of the cost of events that take place within Erie County, are open to the general public, and promote the region economically and culturally.

Impact Area: Quality of Place

To promote well-being, foster civic pride, drive tourism, and attract, retain, and mobilize creative talent and innovative businesses through cultural, heritage, service, and recreational organizations and projects.

Pre-approval Process

Receipt: Upon submission of the application and required supporting material, ECGRA staff, working with the board's review committee, will determine eligibility.

Review: The review committee will evaluate the application and determine if it meets the required parameters outlined by the board.

Approval: ECGRA's board of directors will receive funding recommendations from the review committee.

Notification: ECGRA will notify all applicants via email.

Post-approval Process

Following approval by the ECGRA board of directors, the executive director will issue a letter of agreement to the grantee, which must be signed by an officer of the organization and returned within 30 days of the date of said letter. The agreement may detail additional requirements with which the grantee must comply, including but not limited to: project audit, financial grant closeout report, maintenance of records, public relations, and any other information the board or staff deem relevant.

The grant contract agreement and any subsequent amendments will not be executed until all of the following have been resolved to the satisfaction of the executive director:

-  The grantee must be in compliance with ECGRA's policies on audits relative to the submission of closeout reports on any previous contracts with ECGRA, regardless of the program or funding source.
-  The grantee must provide all supplemental documentation requested by ECGRA.
-  The grantee must be in compliance with IRS reporting standards.
-  The grantee must be current in payment of all federal, state, and local taxes unless it has entered into an agreement satisfactory to the respective taxing authority and is fully in compliance with the terms thereof.
-  The grantee must not discriminate against any employee or against any applicant for employment because of race, religion, color, handicap, national origin, age, or sex.

After the grant agreement has been fully executed and the proper documentation provided to ECGRA, the payment to the grantee will be made by an electronic funds transfer or by check.

ECGRA will monitor the activities of the applicant and the grant contract agreement to ensure that the grantee fulfills the conditions of the grant. This may include a site visit or random audit of income and expenses. Upon request and as required by the agreement, the grantee must furnish ECGRA with all data, reports, contracts, documents, and other information relevant to the activities of the applicant.

Contract Terms

-  Grant contracts for Special Events Grants funding shall be for a period of 12 months, retroactive to January 1.
-  One (1) option to extend the terms of the contract for a period of six (6) months may be granted by ECGRA. Detailed, written justification for the contract extension shall be submitted to ECGRA for review and consideration.
-  If the funds allocated to the applicant are not expended on or before the expiration of the grant contract, including the extension period, the unused portion of funds shall be returned to ECGRA.
-  In the event of an overestimated budget (upon which the 5% grant award was based), the excess grant portion shall be returned to ECGRA no later than April 30 of the following year.

-  All grant recipients will be required to submit financial documentation as part of the online closeout report.
-  In the event of an overestimated budget (upon which the 5% grant award was based), the excess grant amount must be returned to ECGRA no later than April 30 of the following year.
-  **Non-compliance** with these requirements may prevent the grantee from obtaining funding or payment from any ECGRA grant program and/or funding from ECGRA's programmatic partners.
-  If it is determined that the grantee provided any material misrepresentations or that funds were used for activities not permitted under the terms of the grant contract agreement, the grant contract agreement will be considered in default and immediate repayment will be demanded.
