(b) Wood's employment will be generally in accordance with the Authority's policies and procedures;

(c) Wood will report to the Board of Directors;

(d) Wood shall devote his exclusive, full-time efforts to the faithful, efficient and competent performance of his duties; provided, however, that he may undertake consultative work, speaking engagements, writing, lecturing, adjunct teaching or other professional services, provided that such work is approved by the Authority Board of Directors and does not interfere in any way with his full time responsibilities to the Authority;

(e) Wood will promote the success and reputation of the Authority at all times and avoid all activities which are detrimental to the success and/or reputation of the Authority; and

4. Compensation, Insurance and Other Fringe Benefits. The Authority will provide Wood with the following:

(a) Compensation. Wood will receive an annual salary of One Hundred and Twenty-Five Thousand Dollars (\$125,000.00), payable in accordance with the Authority's usual payroll practices. Wood's salary shall be subject to a minimum annual increase equal to the annual percent change of the *CPI-U U.S. City Average: All Items Not Seasonally Adjusted, 1982-84 = 100 Reference Base*.

(i) The minimum annual increase shall be calculated through utilizing the following methodology:

Subtract the semiannual average index for the 2<sup>nd</sup> half of the preceding year from semiannual average index of the 2<sup>nd</sup> half of two years prior to determine the index point change. Divide the percent change of the 2<sup>nd</sup> half of two years prior (denominator) by the index point change (numerator) and multiply the result by 100% to determine the CPI-U change for the year.

(ii) Example Calculation:

CPI-U for 2 <sup>nd</sup> half 2012:	230.338
CPI-U for 2 <sup>nd</sup> half 2011:	<u>226.280</u>
Index point change:	4.058
Divided by 2 <sup>nd</sup> half 2011:	226.280
Equals:	.017934
Result x 100:	1.793353
Equals percent change:	1.8%

(b) Compensation Increase in Excess of Minimum Annual Increase.

In the Board's sole discretion, Wood may receive a salary increase in excess of the minimum salary increase. Any such increase, if offered by the Board, shall be based upon Wood's performance during the previous year as measured by the metrics system created and approved pursuant to Section 3(a)(xiii) of this Agreement. In no case shall any increase in excess of the minimum annual increase exceed three percent (3%) of the previous year's base salary.

(c) Insurance and Other Fringe Benefits. The Authority shall provide

Wood with a quarterly benefit offset payment of seven hundred and fifty dollars (\$ 750.00) in lieu of Wood availing himself of certain fringe benefits offered to other similarly situated employees of the Authority pursuant to its Personnel Policy. Such fringe benefits include medical, dental, and vision coverage and long and short term disability insurance. This benefit offset payment specifically does not include any retirement benefit offered by the Authority. The benefit offset payment may be reduced, in an amount determined by the Authority, in the event Wood avails himself of any or all of the fringe benefits identified in this paragraph.

(d) Expenses. The Authority shall reimburse Wood for all out-of-pocket

expenses incurred by him in the performance of his duties pursuant to this Agreement, and for any other expenses in excess of five hundred dollars (\$500.00) that have been authorized in advance by the Authority. Expense reimbursement shall be in accordance with the Authority's Personnel Policy. For the purposes of this provision, "out-of-pocket expenses" shall be determined to be those unbudgeted and individual purchases of goods or services that are necessary for the day-to-day operations of the Authority.

5. Termination.

(a) Termination for Cause. Wood's employment is subject to

immediate termination in the event he engages in any of the following:

- (i) Conduct that results in an investigation or legal proceedings against the Authority by a federal, state, county or municipal regulatory agency that results in a final negative finding or conviction;
- (ii) Negligent or intentional conduct that threatens to bring Wood or the Authority into public disrepute, contempt, scandal or otherwise jeopardizes the reputation and/or success of the Authority;

In the event Wood's employment hereunder is terminated for cause, he shall be entitled to payment of his salary and any applicable benefits through the date of separation but nothing further.

(b) Termination for Lack of Funding. The Authority shall have the right to terminate Wood's employment immediately in the event the Authority is dissolved, terminated or defunded. Should Wood's employment be terminated pursuant to this subparagraph, he shall be entitled to payment of his salary and any applicable benefits for a period of 180 (180) days from the date upon which the Authority notifies him, in writing, of its intent to terminate his employment.

6. Death or Disability of Wood. In the event Wood becomes disabled from the performance of his obligations under this Agreement, or dies during the term of this Agreement, his employment hereunder will be subject to termination and his right to any further compensation and benefits will cease. "Disability" will mean failure of Wood to fully perform his duties on a full-time basis for ninety (90) consecutive days as a result of Wood's incapacity due to physical or mental illness or injury.

7. No Conflict. Wood represents and warrants to the Authority that neither Wood's performing any obligation pursuant to this Agreement, nor the Executive's employment by the Authority, whether before or after the date of this Agreement, will violate or conflict with any obligation Wood has to any other person. If such representation or warranty is untrue or misleading in any respect, Wood shall indemnify and hold harmless the Authority from and against all claims, costs, damages, expenses, indebtedness, liabilities, and losses incurred by the Authority or arising in connection therewith.
