Dear --FNAME--,

ECGRA Special Events Grants are now open!

If your organization is a 501c3 nonprofit, a municipal authority, or a municipality headquartered in Erie County, PA, you may be eligible to apply for the ECGRA Special Events Grant.

Special events promote a sense of community and inclusiveness, and often generate an influx of dollars from outside Erie County resulting in local economic growth and improved quality of place for Erie residents. They increase our ability to attract and retain a skilled workforce, spur investments from the private sector, stabilize land and housing prices, and increase civic pride. As part of a strategy to strengthen the economy, ECGRA Special Events Grants fund up to 5% of the cost of events that take place within Erie County, are open to the general public, and promote the region economically and culturally.

Sincerely,
